

Aleema Khan

FRONTEND WEB DEVELOPER/ GRAPHIC DESIGNER

Passionate about blending creativity with technology, I am seeking an internship to advance my skills in graphic design and web development. Proficient in Adobe Creative Suite, HTML, CSS, JavaScript, and TypeScript, I excel at crafting dynamic, user-friendly digital experiences. Ready to bring innovative ideas and a fresh perspective, I'm excited to contribute to forward-thinking projects and grow as a versatile designer and developer.

EXPERIENCE

WEB DEVELOPER

Software House

2023-2024

- With a focus on web development, I've crafted interactive and user-centric websites using HTML, CSS, JavaScript and TypeScript. My dedication to clean code and intuitive design has resulted in engaging digital experiences that elevate brands and captivate audiences.
- Managed project and web strategic planning for entire team.
- Built reusable code to utilise for other projects and to minimise costs.
- Participated in pre-project analysis and technical assessments to validate creation of user-friendly interface.

GRAPHIC DESIGN

Indeed

2023-2024

- Designed new, on-brand visual elements focusing on concept and messaging.
- Used Adobe InDesign to create images and layouts according to brief.
- Designed printed brochures, banners and signs, aligning visual collateral with brand mission and values.
- Generated digital image files for use in digital and traditional printing methods.
- Created design packages to drive on-brand initiatives and increase sales. Worked with clients to define marketing and design vision for various graphic design projects
